Products Type Tested by Det Norske Veritas, Engineers India Ltd, others.

2003 'RASHTRIYA UDYOG AWARD'
(National Industry Award)

2004 'RAJIV GANDHI AWARD'
(For services to the nations Oil,
Gas & Alternate Fuel Industry)

Completely AIR-CONDITIONED,
Dust Free factory environment
with CNC machining capability.

Fittings

Tube Fittings (1/16" thru 1")

(Interchangeable with lead International Brands)

- Double Compression Tube Fittings
- Single Compression Tube Fittings
- 37° Flare Tube Fitting

Precision Pipe Fittings (1/16" thru 2")

- Threaded Pipe Fittings
- Weld Pipe Fittings
- Hose Fittings

Pipes (1/4" thru 2")

Tubes (1/16" thru 2")

Tube & Pipe Clamps

Condensate Pots

Thermowells

Syphons

Valves

Needle & Gauge Valves *(1/8" thru 1")*

Forged Needle Valves
Screwed Bonnet Needle Valves
Union Bonnet Needle Valves
Gauge Needle Valves
Gauge Root Needle Valves

Ball Valves *(1/8" thru 1")*

2, 3, 4, 5 way BV 6000 to 10000 PSI
General purpose BV 1000 PSI

Check Valves

Relief Valves

Bleed Valves

Excess Flow Valves

Pressure Snubbers

Instrument Manifolds Valves *(Standard size 1/2")*

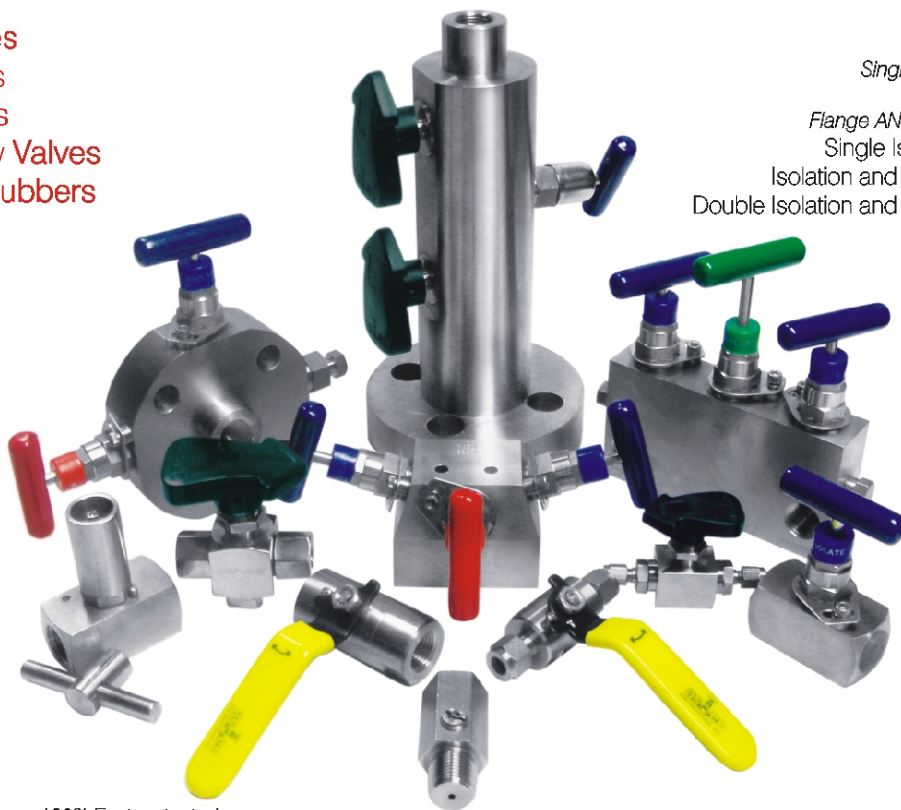

2 Valve Manifold - Straight or Angle type
3 Valve Manifold - Straight, T & H type, Coplaner type
5 Valve Manifold - Straight, T & H type, Coplaner type

Monoflange Valves

(Process 1/4" thru 1" and Flange 150 # to 2500#)
Single Isolation Valve on Flange
Isolation and Bleed Valves on Flange
Double Isolation and Bleed Valves on Flange

Duobloc™ Valves

Single/Double Block and Bleed
(Process 1/4" thru 1" and
Flange ANSI B16.5, 150 # to 2500#)
Single Isolation Valve on Flange
Isolation and Bleed Valves on Flange
Double Isolation and Bleed Valves on Flange

All Valves are 100% Factory tested.

Clients

We hold stocks in most locations worldwide.

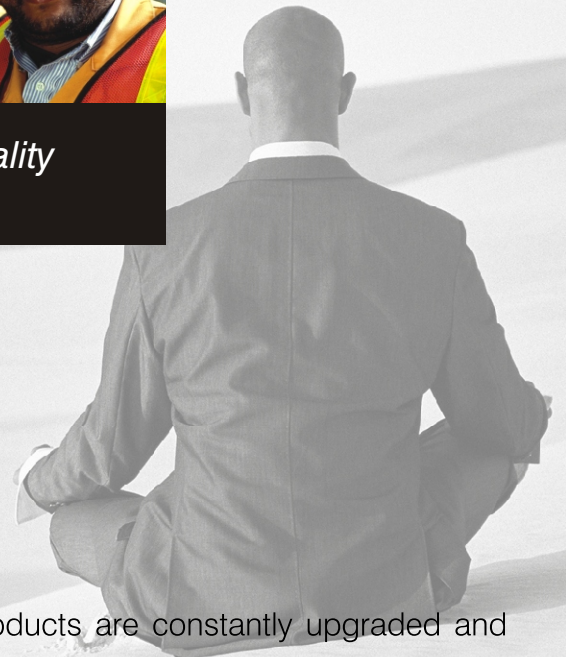

Our Experience

Over 140 Offshore Platforms
Over 100 Oil, Gas, Petrochemical
and Power plants.

“ We kept them smiling for 35 years. Sure, Quality is Contagious.”, Mr. Jai Yadav, QA Head

Technical excellence is hallmark of all our products. Our products are constantly upgraded and enhanced to surpass the best engineering standards. At ASTEC we have maintained a dedicated Type Testing Laboratory for extensive destructive testing of the products manufactured.

Our clients are not our test grounds.

Quality Policy

ASTEC Valves & Fittings Pvt. Ltd.
